RugDoctor Pro™

Commercial Cleaning Systems

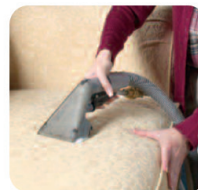

Designed and built to the high standards of the carpet cleaning professional.

Superior one-pass cleaning

Unique cleaning action

Removes dirt and stains from upholstery

One-button operation

Generous size solution tank and large recovery tank offer more than twice the recovery of many other machines

Lightweight, manoeuvrable design moves smoothly and easily over the carpet

Vibrating brush and extra vacuum power provide effective, one-pass cleaning

Comes with the universal hand tool and 12 foot hose attachment in a convenient storage bag. Lets you clean stairs, upholstery and car interiors.

Folding handle makes it easy to store than most upright cleaners.
