

UB90

UNIVERSAL ROOM CLEANER

- *Cleans, freshens and enhances surfaces*
- *Versatile - suitable for use on all washable hard surfaces*
- *Low residue - suitable for cleaning glass.*

For use through the Ultra Blend and Ultra Dose systems, UB90 dilutes to create a ready-to-use cleaning solution for a vast array of modern surfaces.

When diluted, UB90 creates a highly effective, pleasantly fragranced, multi-functional cleaning solution.

DIRECTIONS

Prepare a trigger spray of UB90 solution through the Ultra Blend 1 & 4 systems or the Ultra Dose system. Apply to surface, allow suitable contact time, then rinse or wipe dry.
