INTRODUCING OMNI

A unique and innovatively designed premium melamine tableware solution to support independence and promote dignity within the healthcare sector.

- Discreet features designed for disabled and elderly diners
- A fit-for-purpose dinnerware range that is the culmination of extensive research with hospitals, care homes, carers and dementia sufferers

KEY FEATURES

- Made from 100% food-safe premium melamine
- Melamine is a great insulator, keeps hot food and drink warm, and cold food and drink cool
- Durable, strong and practically indestructible
- Has the appearance of porcelain
- Dishwasher safe
- Considerably reduces the impact of noise during service
- High contrast colours to assist visual impairment
- Each piece has additional features that greatly aid the user, more information available on request

A range of products designed to support independence in the healthcare sector.
