INTRODUCING CLINELL

A range of products with the potential to vastly improve infection control in your home.

CLINELL INDICATOR RANGE

A quick and convenient way to help implement effective hygiene procedures in the home.

- Colour coded; Green indicates objects and equipment have been cleaned and disinfected, Red shows it is in need of a clean.
- By filling in the boxes on the label, the responsible person is able to leave a clear record of their cleaning activity.
- Each roll comes with a pen included so that date, time and name can be filled in.
- Ideal for commodes, bed frames, drip stands and other equipment.
- Available on a roll or in note format and are self-adhesive.

CLINELL WIPES

1.

1. UNIVERSAL WIPES

Multi-purpose wipes to clean and disinfect surfaces and non-invasive medical devices. Contains a unique, patented antimicrobial formula that acts as a detergent and disinfectant, replacing the need for multiple wipes and surface cleaners. In a variety of dispensing packs.

NAME	PACK SIZE	CODE
Flow Pack	200	605030
Bucket	225	605076
Bucket Refill Pack	225	605079

2.

2. SPORICIDAL WIPES

Used specifically to target Clostridium difficile. Inactive when dry, but with the addition of water they immediately generate peracetic acid levels that are proven to kill all known micro-organisms. Proven to reduce C.Diff associated disease by 72%.

CODE	PACK SIZE
505014	25

3.

3. UNIVERSAL WIPE DISPENSER

Sturdy plastic design. Wall mountable via screws or adhesive strips. Designed to hold the wipes in the correct position to ensure they don't dry out but stay moist and effective. Colour coded casing for easy identification.

CODE	PACK SIZE
902235	SINGLE

4.

4. CLINELL SPILL WIPES

Kit consists of a super absorbent pad (40x40cm) containing a 2 layered non-woven surface covered with a plastic backing, as well as two individually wrapped disinfectant wipes to complete the clean. Absorbs up to a litre of fluid which then triggers an oxidative reaction within the pad itself which neutralises all the pathogens within the spill. Proven to kill all known micro-organisms associated with blood, vomit, urine and faecal spills.

CODE	PACK SIZE
905521	SINGLE
