**JUST £0.10
PER 600ML
TRIGGER BOTTLE**

CLOVER DOSEIT DOSAGE CONTROL SYSTEM

- Probably the most simple and easy-to-use concentrated dosing system available
- Colour-coded products with clear pictorial labels
- Requires no dispensing equipment and is completely portable
- Training of staff significantly easier due to its simplicity
- Simple dilution rates that are the same across all products in the range
- Multi-Lingual training sheets available

Prime-it

1 Invert the bottle to fill the 20ml dosage control cap.

Dose-it

2 Lift the flip-top cap and invert the bottle to dispense a 20ml dose into a trigger or bucket as required.

Refill-it

3 After dosing, turn the bottle upright and dose again!
