AFTERCARE

To ensure the smooth running of your equipment, should you require parts, we can offer a fast response for most replacement parts and accessories.

Toilet Aids

Commodes

▼ Atlantic Commode + Shower Chair

This dual purpose shower commode chair is ideal for reducing the quantity of hoisting actions for your clients. Which means not only is time saved for the carer, but also stress is reduced for the user.

- Four swivel brake castors for safety and manoeuvrability.
- Clip-on aperture seat and backrest.
- Detachable armrests for easy cleaning and ease of side transfer.
- Durable plastic coated steel frame.
- Max user weight of 160kg / 25st
- 22" Seat width.

▲ Static Commode

Practical, stacking commode which is ideal for providing users with the convenience of close toilet facilities, helping to promote independence.

- Fixed height and fixed arms.
- Padded Seat.

▲ Mobile Commode

Practical, mobile commode which is ideal for providing users with the convenience of nearby toilet facilities, helping to promote independence. The benefit of this mobile commode means it can be wheeled directly to the user, saving a possible extra hoisting action.

- Detachable arms for easy side transfer.
- Padded overseat and moulded armrests for comfort.
- Hygienic and easy to clean aperture seat.
- Max User Weight 125kg / 19st.

▼ Toilet Seat & Frame

This all in one unit is a very practical alternative to a separate toilet surround and toilet seat raiser.

- Easy to set up, the seat simply clips on and off the frame
- Easy to clean frame and seat.
- Designed to minimise germs breeding, reduce the risk of cross contamination and reduce the risk of injury from sharp edges.
- Height adjustable for comfort 460 - 610mm (18" - 24").
- Max user weight 190kg / 30st.

▼ Toilet Surrounds

Choice of aluminium or powder coated steel, fixed or free standing toilet surrounds that provide extra support and safety when lowering or rising from the toilet seat. All surrounds are height adjustable.

Options:

- Aluminium Unfixed.
- Aluminium Fixed.
- Powder Coated Steel Unfixed.
- Powder Coated Steel Fixed.

▼ Aquatec 900 Toilet Seat Raiser

Practical toilet seat raiser, with the added benefit of arms to assist with lowering and rising, therefore helping to promote user independence.

- Three seat heights.
- No tools needed to adjust the height.
- Durable & corrosion free.
- Lid can be operated by lifting the armrests.
- Fitted in seconds.
- Removable armrest.
- Max User Weight 120kg.

▼ Savanah Raised Toilet Seat

- Consists of a one piece moulding with no dirt traps.
- Can be totally immersed for cleaning.
- Very easy screw clamp fit.
- Available in three heights 2", 4", 6"

Bathing Solutions

▼ Ocean Vip Shower Chair

The Ocean VIP Tilt-In-Space Shower Chair is suitable for demanding care situations. A wide range of accessories are available to ensure maximum versatility for the user and assistance for the carers.

Features and benefits

- Stable, stainless steel frame.
- Stainless steel gas springs.
- Commode aperture available as an optional extra.
- Footplates.
- Foldable armrests.
- 3yr Warranty.
- Available in electric and manual versions.
- Other optional extras available- please ring to discuss your exact requirements.

▲ Seat Tilt

- Tilt angle 0° - 35°

▲ Directional Lock

- Easy to operate brakes on 3 of the castors, the fourth castor includes directional lock to assist with pushing the chair on straight surfaces.

▲ Adjustable Seat Height

- Adjustable in 3 places, no tools required.

▼ Headrest

- Height and depth adjustable headrest included as standard.

• Options

▼ Adjustable Head Rest

- Available as an option, the headrest incorporates depth and side adjustment. Can be used to accommodate those whose head needs to be supported off centre.

▼ Side Support Pad

- Mounted in predrilled holes, the side support reduces the backrest width and can add further stability.

▼ Standard Ocean Shower Chair

Aquatec Orca Bathlift

Tried and trusted by healthcare professionals. The Orca is a superior quality bath seat lifter, designed to offer comfort, safety and reassurance to those most in need of support when they bathe. An emphasis on ergonomic design allows the Orca to sit lower in the bath, giving increased leg room for a deeper more relaxing bath. The increased height of the backrest provides full support whilst upright or reclined.

- Increased leg room.
- Orca easily removed when not in use.
- Lightweight floating hand control.
- Impressive weight limit of 135kg - 21.5 stone.
- Bariatric Orca XL also available, will support clients up to 170kg (26.5stone).

Oxford Mermaid Bath Hoist

Shower & Bathing Aids

A range of our most popular shower seats and chairs, designed to enhance independence and assist carers.

▼ Adjustable Height Static Shower Chair
