## Wheelchairs

### ▼ Link

Choose the Link if you're looking for a wheelchair that provides great comfort and support for full-time use.

- With features including a height adjustable backrest, half-folding back, detachable armrests and a heel strap, the Link is designed to provide maximum comfort and support
- Features puncture proof tyres and rear anti-tippers for increased security, and quick release removable wheels (self-propelled model only) for easier storage and transportation
- The Link is also available with optional extras including height adjustable armrests, elevating leg rests, and angle adjustable footplate and drum brakes
- Choice of six different seat widths
- Available as an attendant propelled or self propelled model
- Max user weight 130kg(20st)
- Product weight 17.2kg (3st)

### ▼ Stealth Plus

Manufactured from strong steel, this chair is the tough and durable option.

- 18" width padded seat
- Fold-down back
- Full-length padded armrests
- Calf support belt
- 12" rear wheels
- Pneumatic rear tyres
- Folding foot rests
- Puncture-proof front castors
- Strong steel framework
- Max user weight 115kg (18st)

### ▼ Swift

Choose the Swift if you need a stylish, ultra-lightweight chair for indoor or outdoor occasional use.

- The Swift's lightweight aluminium frame can be easily folded and dismantled without the need for any tools
- Features quick-release removable back wheels (self-propelled model only) and a half-folding back, so the chair is compact for storage purposes
- Progressive brakes (attendant propelled model only) ensure improved control and smoother braking
- Padded upholstery and robust puncture-proof tyres as standard
- Choice of two seat widths
- Available as an attendant propelled or self propelled model
- Max user weight 115kg (18st)
- Product weight 10.2kg (1½st)

## Rise and Recline Chairs

### Single and Dual Motor

#### ▼ Sienna

- A comfortable, compact chair which is perfect for those with small to medium physiques
- This chair has a single motor and early-rise ottoman to enable the user to raise their legs without fully reclining the chair
- The Sienna also features a new stylish backrest design, and a higher backrest for additional comfort
- Castors offer ease of manoeuvrability
- Available in four colour options:
  1. Cinnamon
  2. Mocha
  3. Oatmeal
  4. Floral

#### ▼ Serena

- A spacious chair that is ideal for most users, providing a high level of comfort
- Features a single motor and early-rise ottoman to enable the user to raise their legs without fully reclining the chair
- The single motor design means that the chair is easy to control with just two buttons ("rise" or "recline")
- Fitted with an anti-entrapment sensor to prevent anything getting caught in the chair's mechanism
- Available in three different styles:
  1. Standard back
  2. Traditional button-back
  3. Waterfall back
- Available in four colours:
  1. Cinnamon
  2. Mocha
  3. Oatmeal
  4. Floral

Interested? - Call 01392 273355 and speak to our friendly office team.

## ▼ Serena Vinyl

- All the features of the standard Serena chair but with vinyl fabric that can be easily wiped for simple, effective cleaning
- This model has the popular waterfall back which is both stylish and very comfortable
- Available only in an attractive dark red wine colour

## ▼ Serena Deluxe

- This riser recliner chair is powered by **two motors** which enable the user to raise the footrest and backrest independently, providing the widest range of positioning options. This ensures the highest degree of comfort to the user
- This model also has the popular waterfall back which is both stylish and very comfortable
- Available in four colours:
  1. Cinnamon
  2. Mocha
  3. Oatmeal
  4. Floral

## Repose - Bespoke Riser Recliners

- Extensive range of fabric options
- High quality, medium to firm seat foam to ensure lifetime support
- Castors
- Tailored, fully upholstered scroll arms
- Padded and upholstered feature wings
- Side pocket and loop for handset
- Leg support from fixed chaise, seat and leg rest
- Available with three back rest options:
  1. Westbury Split lumbar back support
  2. Marbella Traditional button back
  3. Rimini Tiered waterfall fibre cushion
