Martindale	Severe Contract >400,000
Composition	65% PVC, 35% Cotton.
Weight	620 g/sm
Width	140cm (55") wide

Technical Information

We recommend a minimum of 32 stitches per 10 cm (8 stitches per inch) and seams must have a minimum 12mm (0.5") bite on the fabric.

Can be stitched, tacked and glued. Cannot be heat welded.

Please note that all fabric offered is subject to minor tolerance in respect of shade and other slight variations.

Aries can be colour co-ordinated with other Agua collections to produce stunning dual textured finishes.

Bespoke colours can be produced subject to minimum quantity orders.

Technical specifications may be amended, please check for the latest information.

Please ask if you require a sample of the current batch available but be aware that stock can move quickly.

Fabric Care

Use a vacuum cleaner or soft brush to remove dust and solid particles.

Always try cleaning products on a hidden piece of fabric to test suitability.

Wipe frequently with a damp cloth to maintain the appearance of the fabric.

All spillages should be removed immediately with a clean absorbent cloth.

Most stains can be removed using cold/warm water and a clean microfibre cloth, however poorly fixed clothing dyes may cause permanent staining.

Stains from products containing oil and grease should be treated with a spirit based solution.

If soap based cleaners are used, all soap residues must be rinsed from the fabric.

Can be cleaned with mild Hypochlorite solutions (up to 10,000 ppm of available chlorine - including Haz Tabs and Chlor-Clean) or Mineral Spirit for infection control purposes.

Can be steam cleaned in situ.

Do not machine wash or dry clean.

Do not use solvents, chemical agents, waxes or polishes as this will damage the surface of the fabric.

Use cold water when treating stains caused by bodily fluid.

Do not use marker pens on the back of the fabric.

Please refer to the Care Sheet on the Agua website for further details.
